The main content area is titled 'Numery archiwalne "Bezpiecznika"' and displays six numbered thumbnails of past issues, arranged in a 2x3 grid. The thumbnails are labeled 1 through 6. The website footer includes the copyright notice '© "Bezpiecznik" Zespół Szkół Elektronicznych i Informatycznych 2014' and system information: '08:55 17.11.2020'.

Collaboration

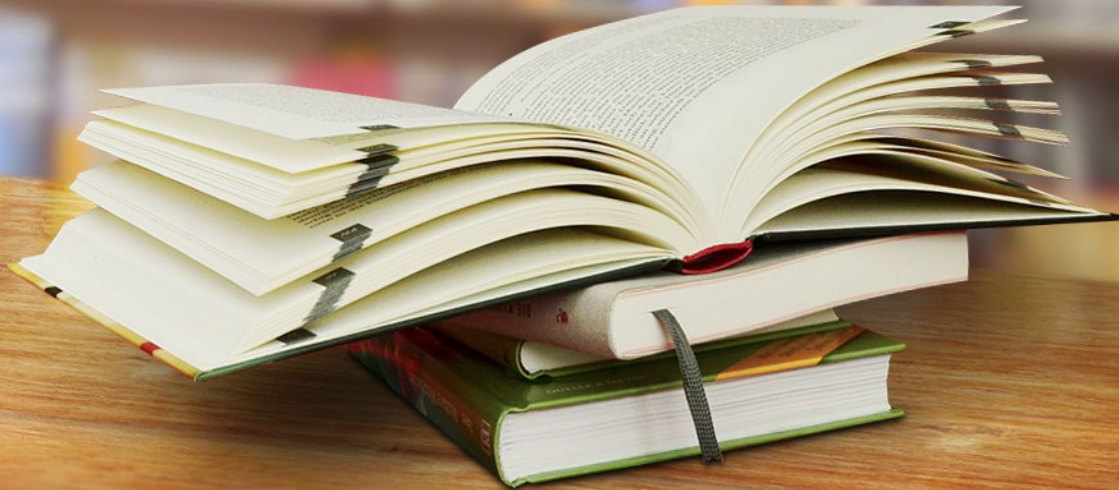

Our library always has a nice atmosphere, smells nice, and everyone can find a book for themselves. What's interesting is that the school also organises library competitions, where you read a short passage and have to guess the book it comes from. The more you read, the greater your chances of winning and receiving a prize, and there is no better place to expand your reading knowledge than our cosy library.

The atmosphere in our school library is very nice, you can read
there in your free time, relax in peace and quiet. The ladies in
