

NEW READING DEVELOPMENT STRATEGY

**Municipal kindergarten No. 4 in Giżycko
Primary School named after Saint John Paul II in Rydzewo
Complex of Electronic and IT Schools named after the
National Education Commission in Giżycko**

STRATEGIC ACTIONS

- **To promote reading from an early age in kindergarten, elementary school, high school and local communities.**
- **Shaping reading habits through creative activities such as reading action - Reading break, library name day, night of libraries, Friday - day of favorite book, book for weekend, Sleeveface - dress up in a book...**
- **Cooperation with local libraries.**
- **Promoting reading activities and actions of educational institutions on the Internet: FB profile, institution's website, local media.**
- **Developing interest in reading through games, gamification, presentation of students' works, ...**
- **Arranging a space conducive to the development of reading: Preschooler's Library, reading corners, thematic wall displays, mobile library in the boarding school.**
- **Participation in the National Reading Development Program - a subsidy for the purchase of new books.**
